## HAND MADE PHOTOGRAPH ALBUMS

### CD Folios

#### General Specification

Butterwick Wells hand made **CD Folios** provide the perfect solution for high quality presentation and storage of discs. They can hold any type of standard disc, whether a CD, DVD or Blu-ray, to store photographs, slideshows, or videos (*discs not included*).

We make double wing and triple wing designs to hold one or two discs, with options for mounting photographs to the inside.

Where applicable, pre-taped black hessian embossed **overlay mats** are supplied in the default size to fit photographs of 5" x 5" (actual visible aperture size ~4.5" x 4.5" to allow for taping). We can also substitute a 4" x 5" overlay mat, or other custom sized mats up to 5" x 5" as an alternative option on request. *For additional folio/ disc presentation options, please also see our DVD Folios.*

All our folios come supplied in a custom sized telescopic **black presentation box**, with a discreet embossed linen pattern.

#### Standard CD Folio Design

Our CD Folios are available in either a Double Wing or Triple Wing design.
